

# Diabetic Screening

HbA1c laboratory tests are recommended for members who have a diagnosis of diabetes.

These tests are offered at no cost to Medicare members who need them. Tests must be completed during 2022 in order for you to be eligible to receive a reward card.

Your reward card will arrive in the mail within six (6) to eight (8) weeks after we receive the completed form from your doctor and have verified the services. Reward cards cannot be used to buy tobacco or alcohol. Reward cards cannot be converted to cash. This reward can only be earned once per calendar year.

## 2022 Diabetic Screening
