

# Diabetic Screening

HbA1c laboratory tests are recommended for members who have a diagnosis of diabetes.

These tests are offered at no cost to Medicare members who need them. Tests must be completed in-person during 2023 in order for you to be eligible to receive a healthy reward.

Your healthy rewards will be loaded onto the healthcare prepaid benefit type card after we receive the completed form from your doctor and have verified the services. Healthy rewards cannot be used to buy tobacco or alcohol. Healthy rewards cannot be converted to cash. This reward can only be earned once per calendar year.
