

Annual Flu Shot

An annual flu shot is offered at no cost to all Medicare members. It must be completed in-person during 2024 in order for you to be eligible to receive a healthy reward.

According to the Centers for Disease Control and Prevention, it is not possible to predict what any flu season will be like. The timing, severity and length of the flu season usually varies from one year to the next.

CareFirst BlueCross BlueShield Advantage DualPrime encourages members to get a flu shot. Human immune defenses become weaker with age. The flu can be serious for people age 65 and older or with other health risk factors.

Call your doctor today to schedule your flu shot. Some pharmacies can also give members a flu shot at no cost to the member. Be sure to ask if your pharmacy can give you a shot at no cost.

Your healthy rewards will be loaded onto the healthcare prepaid benefit type card after we receive the completed form from your doctor and have verified the services. Healthy rewards cannot be used to buy tobacco or alcohol. Healthy rewards cannot be converted to cash. This reward can only be earned once per calendar year.

2024 Annual Flu Shot
